

Code of Conduct Sign Off

2016 MB Provincial Dance Festival

May 2-20, 2016

This document MUST be signed to ensure full understanding of Dance MB's mandate of education, equality, safety, professionalism and cooperation.

All parents/audience members/chaperones/teachers/performers are expected to abide by the Code of Conduct.

As a Director/Group Representative/Teacher, I am responsible for the behavior of my dancers, teachers and parents.

I have reviewed the Code of Conduct with all of the participants from my organization including dancers, teachers, teaching assistants, parents and chaperones. Even though most of the information is common sense and self-explanatory, I have posted the Code of Conduct in my studio/rehearsal space.

I have reviewed and understand the Rules & Guidelines, and have entered and structured my pieces accordingly, with full understanding that they are in place to ensure equality, safety, professionalism and efficiency.

If I have questions about the Code of Conduct, I will contact Dance Manitoba for further information, prior to signing this document.

Please note those participants who fail to follow the Code of Conduct will be warned and advised by the Executive Director immediately to conduct themselves accordingly. Blatant disregard of the Code of Conduct may result in not performing and/or the participant's or teacher's studio being disqualified from further participation in the Festival at the discretion of Dance Manitoba.

The form below must be completed and returned with entry forms(s). Failure to do so will make your entries incomplete and they will not be processed.

Thank you for your cooperation.
