

Julio is no stranger to the performing arts. He has been singing and performing as a singer at a very young age. Although dance came a little later in his life at the age of 19, he has found an enormous passion for it and has trained in ballet, jazz, tap, hip-hop, contemporary, and many other styles since then.

Julio has had the privilege of performing, coaching, choreographing and adjudicating all over the USA, Canada, Europe, Guam, and the Philippines. His choreography has garnered him 1st place overall and many choreography awards in competitions across Canada and the United States. His credits include Fashion Rocks Canada, America's Best Dance Crew Canadian Tour, Two From Galilee, adjudicating for the International Dance Challenge, Dance Olympus, Thunderstruck, teaching for the Northwest Dance Company, and many others.

He has been in the Portland OR area for the last 3 years as a resident choreographer at Groove Nation Dance Academy. Julio is very excited to be back in BC and wants to continue gaining more knowledge in his art and sharing his passion for dance. He is currently an instructor at Dance In Motion, PraiseTEAM, and Harbour Dance Centre.
